

ACUTRONIC- UVA Global Internships- Marketing, Video Design, Social Media Intern

Position Information

Employer:

UVA Global Internships

Title:

ACUTRONIC- UVA Global Internships- Marketing, Video Design, Social Media Intern

Description:

*This internship is a position dedicated exclusively to UVA students, cultivated through the UVA Office of Global Internships. An offer of placement will be contingent upon verification of your status as a student in good academic and disciplinary standing. We welcome applications submitted with serious intent. *

Name of organization: ACUTRONIC

Description of organization: ACUTRONIC is the global market leader in precision motion simulation solutions, used to test and calibrate inertial sensors. For the past 40 years, we have been serving the world's most demanding clients, including the likes of Boeing, Honeywell, Microsoft, Facebook, the U.S. Department of Defense, the Indian Space Program, and numerous other institutions around the world.

Description of position:

We are looking for 1-3 dynamic, motivated students who are looking to work for an international firm on marketing projects. Interns will have a chance to work in the U.S. and to visit Switzerland. You will interact with staff across locations. You can expect to be engaged, to have considerable autonomy in your work, and to apply your creative skills. We are looking to produce a few short promotional video clips that should be inspirational in style (examples below). In addition, there may be an opportunity to work on a broader marketing strategy, including social media presence.
