

## **WPVC 94.7 FM Internship**

WPVC 94.7 FM is looking for interns for summer and beyond. 94.7 is a long form progressive talk radio station that airs nationally syndicated programs from 6 am until 7 pm weekdays. Interns will be trained to be on-air personalities who will be responsible for delivering news, weather and specialty programming during scheduled breaks in the syndicated program. Shifts are three hours long and there is opportunity to move into producing local shows on weekends. WPVC studio is located in the City of Charlottesville near Whole Foods Market.
