Giants vs Bears Live How to Watch, Listen & Live Stream Week 2

The New York Giants travel to Chicago to play the Bears in Week 2 on Sep 20. Kickoff is 1 p.m. at Soldier Field.

The Giants and Bears will face each other for the third consecutive season and the second year in a row in Chicago. Last Nov. 24, the Giants led at halftime, 7-3, but allowed 16 unanswered points in the third quarter and lost, 19-14. On Dec. 2, 2018, the Giants earned a 30-27 overtime triumph in MetLife Stadium. Saquon Barkley’s 29-yard run on the first play of overtime set up a game-winning 44-yard field goal. These teams first played each other in 1925, making this the Giants’ oldest active series (the Giants’ first-ever road victory was in Chicago on Dec. 13, 1925).
